

# FULLNESS OF FAITH

## JANUARY SAINT PROJECT

### DUE JANUARY 31, 2024

As you may know, one of the nice things about being Confirmed is that it is a Sacrament that we do not do alone. Surrounded not only by our family and our sponsor, we are also blessed to call upon the intercession of the saints and ask one in particular to come to our aid. Many will even take on the name of their Confirmation Saint to be their Confirmation Name too. As we have more breaks from classes in December, this is a great opportunity to learn about the lives of five saints!

You are responsible for completing five (5) saint/blessed reports. Each saint/blessed report must be in the form of a five (5) paragraph essay. Each paragraph should consist of five (5) full sentences.

You will write about one (1) saint from each of the following topics:

1. Saint from the Moderna Era (1800-now).
2. Servant of God/Venerable/Blessed/Saint from the Americas.
3. Saint who had your dream occupation or is the patron of your dream occupation.
4. Saint with the same name as you or similar to yours.
5. Your favorite saint.

Once you have completed your five (5) saint essays, please use the following form and select on of the five saints/blessed as your own Confirmation Saint.

There are many great resources out there to find information, below are a few:
